

The image features a circular logo for 'Spring Valley Farms' with the text 'Old Fashioned' at the top and 'Home Style Canning' at the bottom. The word 'Spring Valley' is in a large, bold, serif font, and 'Farms' is in a smaller, similar font. Below the logo, three glass jars filled with jam are displayed on a burlap surface. One jar is rectangular with a hexagonal label, and two are round with oval labels. The background shows green foliage.
